Act Justly – Love Mercy – Walk Humbly With Thy God (Micah 6:8)

“UNMASKED” THE MOST IMPORTANT BOOK I HAVE READ ADDRESSING THESE CRITICAL TOPICS: BUD REEVES

- “THE GREATEST DESTROYER OF LOVE AND PEACE IS ABORTION. ABORTION IS ABOUT THE WORSHIP OF SEX.”

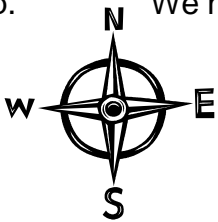

- WHY ABORTION AND SEXUAL IDOLATRY WILL NOT END UNTIL IT ENDS IN THE CHURCH.
- “INSTEAD OF FUNCTIONING AS PROTECTORS OF THE WOMEN IN THE CULTURE, MEN HAVE GIVEN WAY TO THEIR LOWER NATURE AND MORE OFTEN, FUNCTION AS PREDATORS OF THE VERY WOMEN THEY ARE CALLED TO PROTECT.”
- “GOD WANTS TO TAKE THE STRENGTH OF THE MALE QUALITIES CURRENTLY UNDER ATTACK IN OUR FEMINIZED CULTURE AND EMPLOY THEM IN THE DEFENSE OF AND PROTECTION OF THE WOMEN IN THEIR LIVES.”
- “IN ORDER FOR WOMEN TO PARTICIPATE IN THE WORSHIP OF SEX, NOT ONLY MUST THERE, OF NECESSITY, BE ABORTION...THERE ALSO MUST BE A CHANGE IN THE HEART OF A WOMAN.”

- “IN ORDER TO EFFECTIVELY DEAL WITH ABORTIONS WE FIRST NEED TO ADDRESS THE ENEMY’S ASSAULT AGAINST THE HEART OF A WOMAN AND THE GOD-ORDAINED ROLE OF MEN.”
- “MARRIAGE PROVIDES THE ONLY ARENA IN WHICH A WOMAN IS SECURELY PROTECTED BY LOVE AND A COVENANT....ANYTHING THAT THREATENS THE STABILITY OF MARRIAGES AND FAMILIES THREATENS THE HEALTH AND STABILITY OF SOCIETIES AND NATIONS.”
- “THE SAME SPIRITS THAT DEMANDED WORSHIP BY SEXUAL PROMISCUITY, PROSTITUTION, AND CHILD SACRIFICE DURING THE OLD AND NEW TESTAMENT ERAS ARE STILL AT WORK TODAY IN THE CULTURES OF THE EARTH.”
- “COULD IT BE COINCIDENCE THAT JOSIAH AND HEZEKIAH, THE ONLY TWO KINGS WHO TORE DOWN THE HIGH PLACES (where children were sacrificed), WERE ALSO THE ONLY TWO KINGS TO USHER REVIVAL INTO ISRAEL?” TEAR DOWN THE HIGH PLACES!
- NINETEEN QUESTIONS CHURCH LEADERS NEED TO ANSWER AND NINE WAYS FOR CHURCH LEADERS TO HELP DEAL WITH ISSUES OF SEXUALITY, MARRIAGE AND ABORTION.

From Bud's Desk: I can not say enough about "Unmasked." A week ago I picked up the last copy being sold at my church on the first day it went on sale. If the Christian men and the Christian church will take this epic book seriously, it will do more to end the abortion holocaust in our land than any of the below identified areas of progress. This book is not written to proliferators but we should be the first to shout out accolades because Jim Anderson is right. Like Old Testament Israel, sexual idolatry and child sacrifice are here in America. Jim does not make the usual arguments blaming the courts, politicians and last day's increase of evil. He squarely puts the blame on men who have become predators of women. He makes a clarion call for the men and the Christian church to get it right, that sexual idolatry has to be faced in the church. Healing, restoration and revival will follow, just as it did in the revivals when Kings Hezekiah and Josiah tore down and eliminated the pagan temples in the high places. Women will weep with appreciation for this book as Jim and Heidi Karlson tell the real stories of wounded women being forgiven, healed and restored. This book bears the fingerprints of great biblical scholarship combined with "I can't put it down now" readability. KEEP PRAYING, KEEP SPEAKING UP, KEEP ACTING....

SOME SIGNS THAT PROLIFE IS MOVING IN THE RIGHT DIRECTION

Be encouraged proliferators!! I believe we are at a tipping point wherein America's population is moving more and more away from seeing abortion as a positive to the realization that abortion is an act of violence that kills an innocent human being. Seven reasons follow:

Public Opinion: The Rasmussen poll recently revealed a majority of polled Americans, including many who identified themselves as "pro-choice", said that abortion is "morally wrong most of the time." Recent Gallup polls have found a majority of American now are prolife.

Young People are more prolife than their parents and are stepping up in tremendous ways. Lila Rose of UCLA almost single-handedly has exposed the nationwide perversion and criminality of Planned Parenthood, by making undercover phone contacts and videos of their actual practices.

Media: Movies and television are making more and more prolife presentations. Great documentaries like Maafa 21 and social media like YouTube and Facebook are spreading the truth to millions around the globe on a real time basis.

Black and Hispanic Christians are stepping up in increasing numbers and joining the fight, realizing that the abortion industry has especially targeted their neighborhoods.

Federal and state legislators are moving to defund abortion providers and pass laws favorable to the protection of preborn life. The personhood movement is gaining ground.

Forty Days for Life is moving thousands and thousands of new people into prolife prayer and presence at abortion clinics across America.

Post-abortion women by the tens of thousands are publicly speaking on the destructive affects of abortion, moving more and more women and men to not make an abortion decision.
