**IT'S HERE....DRAMATIC NEW VIDEO ADDRESSING  
SILENCE IN CHURCH PULPITS ABOUT ABORTION**

**Comprehensive Web Page Now Available for Pastors and Church Leaders**

**From Bud's Desk:**

About three years ago, after much prayer and reflection, I believe that I heard the Lord instructing me to help produce a dramatized video directed toward Christian pastors who have been largely silent concerning the destructive nature of abortion on not just the baby, but baby and mom. I proposed this to a group of California prolife leaders and they agreed to move ahead with the project. I am not a film maker but I took my idea to numerous professionals. We found Ken Miller in nearby Yuba City, a committed Christian and filmmaker of excellent reputation. After meeting with Ken several times over a period of several months, Ken excitedly told us that he had been awakened at 4:30 a.m by the Holy Spirit. He sat down at his computer and the script for Dear Pastor came forth.

We then expanded our vision to have two respected pastors, Francis Anfuso of the Rock of Roseville and Pastor Al Howard of His Nesting Place in Long Beach, provide moving testimonies that we believe will help pastors overcome reluctance to bring the abortion issue before their congregations.

Our testing of the video in front of pastors disclosed that many would be more forthcoming on the issue but felt inadequate in addressing the subject. One pastor remarked about the silence, "I'm guilty but what do I do now?" Our committee knew then that we should develop a comprehensive web page devoted to helping pastors and church leaders. It is now available.

Please pray that these resources will be greatly utilized and result in saved and transformed lives and transparent pulpits and congregations.

**Project Truth Spring Tour Coming Soon**

**PLEASE HELP US PRINT ANOTHER  
40,000 OF THIS  
DYNAMIC PROLIFE BROCHURE**

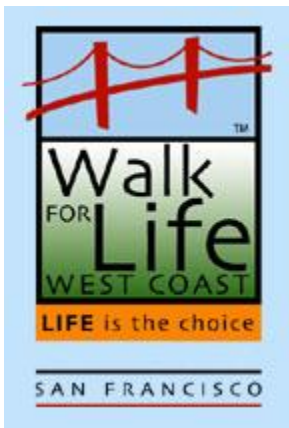

**We have a donor who is willing to match \$5000.00 in contributions for the printing of this powerful prolife/gospel brochure. Will you help?**

We need an additional 4 thousand dollars in matching contributions to print 40,000 of these dynamic prolife brochures. Please view it at [www.sohl.net.org](http://www.sohl.net.org). It is, we believe, the most effective prolife/gospel brochure available anywhere today. There is just no other prolife literature that so thoroughly covers the combined prolife and gospel topics as this new publication. Twelve pages of full color easy to read, it defends and explains all aspects of the prolife message in a way with graphics, incisive quotes and proofs that young people appreciate. Each brochure is handed out personally by one of our team to a college or high school student. We also distribute this at the abortion mills.

We are going again into Nevada and deep into So. California this Spring and Fall with our Project Truth team. For all of you who help us we want to send you a copy of the magazine and the powerful new video "180" which has more than one million hits on You Tube.

**Taking Teens to San Francisco  
Walk for Life**

**We are committed to connecting with and training young people to carry on the struggle for a prolife America. In our December issue we told your how we are training young teens for prolife action. Currently most of our teens are from Cornerstone Christian School in Roseville, CA. They are the cream of the crop. This year we are again taking a group of our teens to walk with an estimated 35,000 proliferers through the streets of San Francisco standing, speaking and acting to restore the right to life for all in America.**
